PUBLIC NOTICE

The Copyright Office, in its endeavor to further cut down the delays in examination of the copyright application has decided to publish, on its website, the list of applications received for registration of copyright during the week, i.e. Monday to Sunday.

2 The Publication would be treated as a notice to every person who claims or has any interest in the subject matter of copyright or disputes the rights of the applicant to it under Rule 70(9) of Copyright Rules, 2013.

3 If no objection is received within 30 days of the publication, the said applications would be examined for further necessary action.

4 However, even after the issue of the notice, if no work/documents are received from the applicant within 30days, it would be assumed that the applicant has no work / document to submit and as such, the application would be treated as abandoned, without further notice, with a liberty to apply afresh.

5 The list of such applications would be published, on weekly basis, on the website every Monday of the subsequent week.
